CG Capital Markets, LLC Hires SPA's Keith Styracula to Expand its Structured Products and Investor Solutions Platform in New York

07/27/16

Press Release

New York, NY and Boca Raton, FL– **CG Capital Markets, LLC ("CGCM")**, a boutique investment bank headquartered in Boca Raton, Florida, with offices in New York City and Red Bank, New Jersey, has hired Structured Products industry veteran **Keith A. Styracula** to help spearhead a Structured Solutions effort at its firm. Styracula will bring over two decades of experience and relationships in the Structured Investments and Solutions arena to **CGCM** and its network of Dealer, Private Wealth and Institutional clients.

In addition to his experience at major Wall Street firms, Mr. Styracula is also the Chairman and Founder of the **Structured Products Association ("SPA")**, a 12,700-member industry association and advocacy group that has represented the structured products community since its inception in 2003. SPA members include industry professionals, regulators and the media.

"Keith is a proven leader in the Structured Products world and he will be a valuable addition to our already very formidable and well-respected team headed up by Joe Castelluccio and Steve Cocco." said **Armand R. Pastine, CEO of CG Capital Markets, LLC**. "We expect Keith to have an immediate impact on our business by providing knowledge-based solutions to our clients." said Pastine.

"The Structured Products industry is ripe for expansion as part of its ongoing evolution and we expect Keith will bring a large measure of his expertise to this natural development and expansion." said **Joseph A. Castelluccio, President of Capital Markets and Head of Trading**. "Keith will help us raise awareness of the value of customized client solutions in an already fractured and dislocated fixed income market." said Castelluccio. "As the structured investments industry has matured, the size of the market can only expand when we focus on buy-side and the evolving needs of investors in ever complicated capital markets" states Styracula. "The fleet-of-foot business model in development with Armand, Joe and the CGCM team will be at the forefront of the next wave of market-linked investments. I'm confident CGCM Structured Solutions will have some exciting initiatives to announce in the months to come." Styracula said.

CGCM expects to continue its expansion within the Structured Products space in the near future in its New York City and Red Bank, NJ offices, as well as its growing trading business in Boca Raton, Florida.

CGCM launched in August 2015 with over 30 employees in offices in New York, Red Bank, New Jersey, and Boca Raton, Florida. The company continues to grow its Institutional and Middle Markets Sales and Trading efforts, with plans to open additional locations and to expand or enter new lines of business as they execute their business plan and obtain regulatory approvals.
